Docket No. 98N-1265 9 '99 APR 22 10:09

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I rely totally on natural hormone replacement therapy which I can only get through an out of state compounding pharmacy. The Draft M.O.U. would make it impossible to obtain the natural medication needed to maintain my health
